Boxley Parish Council

## Beechen Hall Hire Information

This booklet is designed to answer any questions you may have about hiring the hall. We are pleased that you have considered our hall for your event and the council requests that you abide by these conditions and the agreement you sign, so that your event is both safe and successful.

### **Facilities and deliveries to the hall**

The following facilities are available at the hall, if you require more tables etc then it is up to the hirer to arrange these.

Please note that if additional equipment is being delivered for your event then you **must notify and clear this with the parish office and also supply contact details of the company you plan to use.** The parish office is only open part time and delivery/pick up dates/times must be booked with the parish office to guarantee that your equipment is received on time for your event.

- Main hall - 20m by 10m, committee room – 5.5m by 3.5m. The hall is very light and airy, has a mirrored wall, and maintained to a high standard of cleanliness. The height of the main hall is 4.03 metres from floor to middle ceiling and 2.7m floor to lower ceiling.
- Versatile lighting in main hall, foyer and committee room including spot lights.
- Picture rail from which decorations can be hung using blue-tack or the hooks provided. The distance between the floor and the picture rail is 2.6m, the hooks are 0.5m apart.
- Illuminated car park for 60 plus cars.
- Modern kitchen with 6 burner hob and oven, 9 power points and a wall mounted water boiler.
- Disabled access to hall and a disabled toilet with baby changing facilities.
- Crockery and cutlery for up to 70 place settings. 56 children's plastic cups and 6 jugs.
- Tables and chairs – 16 large rectangle (6' L, 2'6" W, 28" H), 16 small (3' L, 2'6" W, 28" H) and 180 chairs. Child size chairs and tables to seat 40 children.

### **Insurance—Please read carefully**

Boxley Parish Council strongly recommends Hirer's Liability Insurance cover at a small cost of £2.00 per event. This cover would protect the hirer against claims for compensation by the public arising from legal liability for loss or damage to property and/or injury or death to members of the public. Limit of indemnity is £2,000,000 for any one incident (excess first £100). A copy of the insurance cover details will be supplied upon request.

## On the Day

- On the day of your hire you/your representative should arrive at the hall **10 minutes prior to the time shown on your booking form.**
- Upon arrival you will be welcomed by a member of the caretaking staff who will show you around and handover the hall to you. After this you may begin your set up for your event. Please do not try and do this prior to the handover.
- **Please note that the caretaker will only wait for 15 minutes after your appointed time unless otherwise agreed in advance.**
- If you arrive late and have to summons the caretaker back you will be charged an attendance fee of 1 hours rate of hire.
- You will be left with an information file, which should answer any questions that arise throughout the day, and also act as a reminder of the facilities available. Please check the information book prior to summoning the caretaker.
- Excessive call outs that are not due to any problem caused by the hall or fixtures and fittings may result in an attendance fee being charged. The information should be brought to the attention of your service providers so that they are also aware.
- Depending on the length of the hire, you may be provided with a key to the front door. The number of the duty officer will also be provided in the event of any problems.

**We kindly ask that the hall is left as it was found, ie tables and chairs wiped and stacked away, the hall floor swept, all decorations removed and a clean kitchen. Failure to do so may result in additional charges being implemented .**

- Outside bars and caterers must take away all their own rubbish.
- Any cardboard boxes for disposal by the hirer must be broken down before being put in the pink box under the counter in the kitchen for recycling.
- We kindly ask that hirers take away any glass bottles or cans for recycling. Failure to comply may result in retention of part of the refundable deposit for any costs incurred by the Parish Council in disposing of excess refuse.

## Arrival & Departure Times

Hirers are asked to respect the hire agreement contract and the hall **must** be vacated by the specified end of hire time. **Any departure after that time will be charged at double rate per half-hour period.** Clearing up generally takes about an hour for large events and half an hour for smaller ones. Late arrival will also incur the same charges.

## Important Notes

SMOKING IS NOT ALLOWED ANYWHERE WITHIN THE PREMISES

**Smoke or mist/water vapour machines, indoor fireworks, confetti and bubble machines are not allowed due to damage and staining to the hall floor. The hall has a smoke detector which will be activated by this type of equipment.**

**If these are used the hirer will be liable to an extra cleaning or call out charge.**

Any equipment brought into the hall, e.g. tables, chairs, musical equipment, must be removed at the end of the hire unless **prior permission** has been received from the parish office for a later collection time. Failure to comply will be considered a breach of contract. **The use of Drones is not permitted in the hall.**

Electrical circuits at the hall are protected by a 30mA trip switch, designed for general use and safety. If a hirer proposes to use electrical equipment within the hall, they must be satisfied that the equipment is suitable for that use. Boxley Parish Council accepts no responsibility for failure of any equipment, for whatever reason. It is imperative that a hirer ensures their DJ or entertainer does not by-pass the noise inhibitor. If it is by-passed and complaints are made then the law allows the equipment to be seized and the event being closed. The Caretaker is instructed to turn the electricity off if the instruction is ignored as this is a breach of contract, and could lead to the hirers damage waiver deposit being retained.

If a problem occurs during an event and the Caretaker attends, hirers are asked to ensure that they are not abused by drunken guests. Unfortunately there have been some recent incidents whereby staff have been confronted by drunk guests who are being abusive and aggressive and this behaviour is not acceptable.

## Bouncy Castles

Bouncy castles may be used at hirers' own risk. Any damage to the hall or injury to persons using the bouncy castle will be the responsibility of the hirer. The hirer must ensure that no damage is done to the floor, particularly by heat or scratches. Hirers bringing in bouncy castles are required to submit a copy of the public liability insurance to the parish office prior to the event. The height of the main hall is 4.03 metres from floor to middle ceiling and 2.7m floor to lower ceiling. You must inform the booking secretary at the time of booking if you intend to hire a bouncy castle.

## 16th—21st Birthday Parties

Boxley Parish Council has recently introduced a new policy and helpful hints leaflet for these events. Please ensure you make the booking secretary aware at the time of booking so that this information can be provided.

## Meeting Room

Beechen Hall has a committee room available to hire for small meetings, training sessions etc and caters up to 12 people comfortably (dependent on layout). The room is furnished with padded chairs and multi-media equipment is also available for hire. The current rate per hour is £7.70 (Mon-Fri) £10.80 (Sat/Sun). Please contact the booking secretary for availability.

### Car Park

The car park is secured overnight and may not be opened the next day. If any cars are to be left overnight then this should be cleared with the office or the caretaker so that a single pick up time can be arranged.

### Cancellation Policy
